

IMPACT OF THE PROJECT VALT ON PARTICIPATING STUDENTS

METHOD

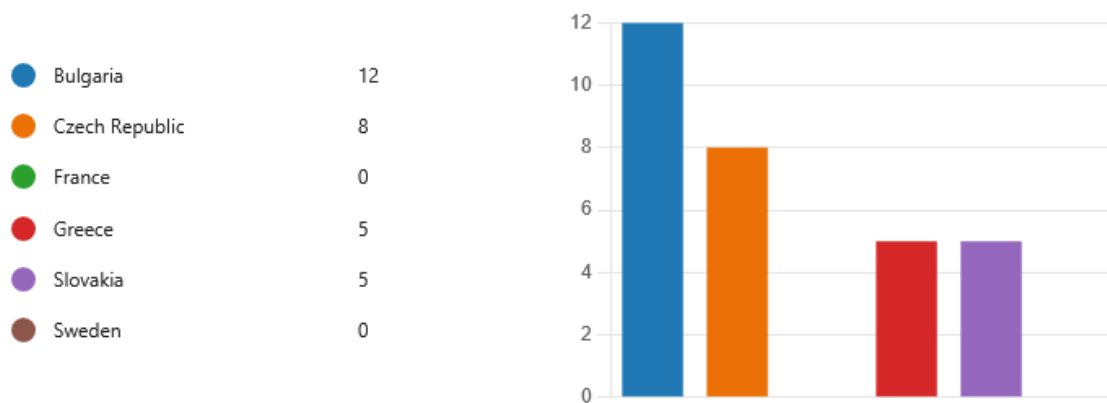

Questionnaire

TERM

June 2022, Burgas, BLR

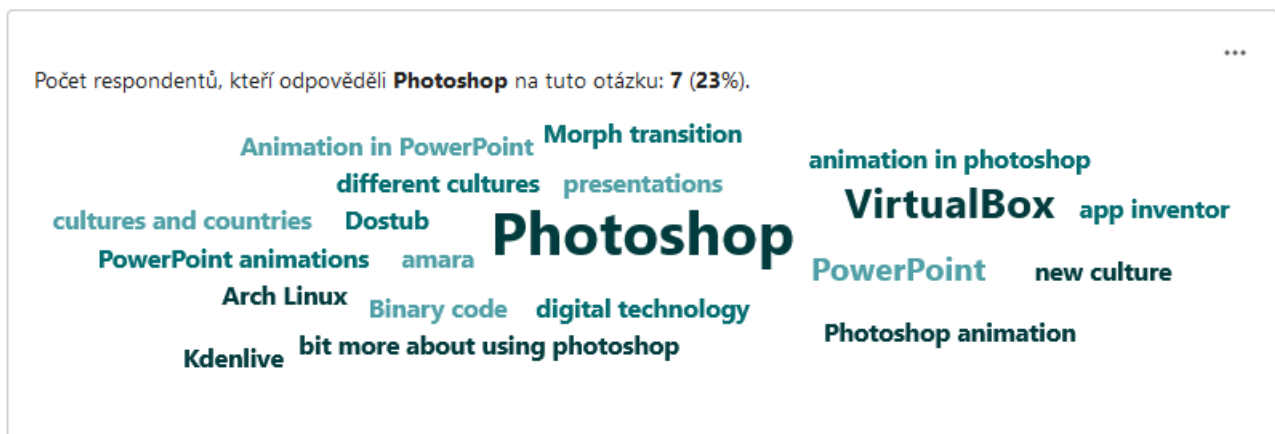

PARTICIPANTS

30 students from Bulgaria (12), Greece (5), Slovakia (5), Czech Republic (8)

1) CONTRIBUTION TO YOUR PROFESSIONAL KNOWLEDGE

Name newly learned application(s)

Photoshop and new culture

Average

I learned how to use Morph transition in PowerPoint, which it is something I will apply in my future presentations.

Binary code

Learn about different cultures

Learned about programming, animating, digital technology and about the different cultures and countries from the project

VirtualBox

Photoshop animation

Teamwork

Photoshop

PowerPoint animations

Dotsub, amara

I learned a bit more about using photoshop.

VirtualBox

animation in photoshop

Kdenlive, VirtualBox, Arch Linux

Dostub , amara

I teached

Dostub, amara

VirtualBox

Virtualbox

Editing the video, making animation(s), how to download Windows XP, Photoshop, Digital Technology

Animation in PowerPoint

tinkercad and app inventor

binary codes

PowerPoint

Powtool, Photoshop

Online platforms for creating presentations

Powtoon

Tinkercad

Newly gained skills

Počet respondentů, kteří odpověděli **skills** na tuto otázku: **4 (13%)**. ...

A word cloud showing various skills mentioned by respondents. The words are in different sizes and orientations, with 'skills' being the largest and most prominent. Other notable words include 'teaching', 'Animation in PowerPoint', 'Binary code', 'Animation in Photoshop', 'video machines', 'international group', 'Learned how to teamwork', 'basics of Dart', 'ability', 'language skills', 'binary system', 'Powtoon', 'Morph Transition', 'Powtool, Photoshop', 'Online platforms for creating presentations', 'tinkercad and app inventor', 'Animation in PowerPoint', 'Editing the video, making animation(s), how to download Windows XP, Photoshop, Digital Technology', 'Virtualbox', 'VirtualBox', 'Dostub, amara', 'I teached', 'Dostub , amara', 'Kdenlive, VirtualBox, Arch Linux', 'animation in photoshop', 'VirtualBox', 'I learned a bit more about using photoshop.', 'Teamwork', 'Photoshop', 'Photoshop animation', and 'Learned about programming, animating, digital technology and about the different cultures and countries from the project'.

Programming on dart

Aberage

using Morph Transition, Binary code and feeling more confident in speaking English

The ability to animate presentations in powerpoint

Improvement in language skills

New technological skills

Creating virtual machines

Improving skills in Photoshop

Video editing

Animation in Photoshop

trimming videos, animating

Learned how to teamwork

I learned more about operation systems and physics.

Working with virtual machine to test unknown software

teaching

Teaching other students

learnes how to teamwork

teaching animation in Photoshop

Teamwork

Animation in PowerPoint and Photoshop, learning and teaching in an international group of people

Seting up a virtual box

As I mentioned

Dart 🎯 programming language

Power point

presentations

Creating animation in PowerPoint

some technical abilities, communication skills

Learned the basics of Dart

How to use binary system

Binary code

Improvement of professional knowledge learned previously

Very much	18
Average	11
Not much	1

2) IMPROVEMENT OF YOUR LANGUAGE SKILLS

A/ Improvement in English

Very much	24
Average	4

I and now motivated to continue with video making and video editing.

Yeah, because I see studying will help me in my future

navigation of this city

Teaching others

yes

I should expect use of my knowledge and shouldn't try to make everything as good as i could.

Yes

Improved my video editing skills

Working with new software

Yes, it is such great experience and pleasure!

Flutter framework

Morph

yes

Various transitions used for creating animations

yes

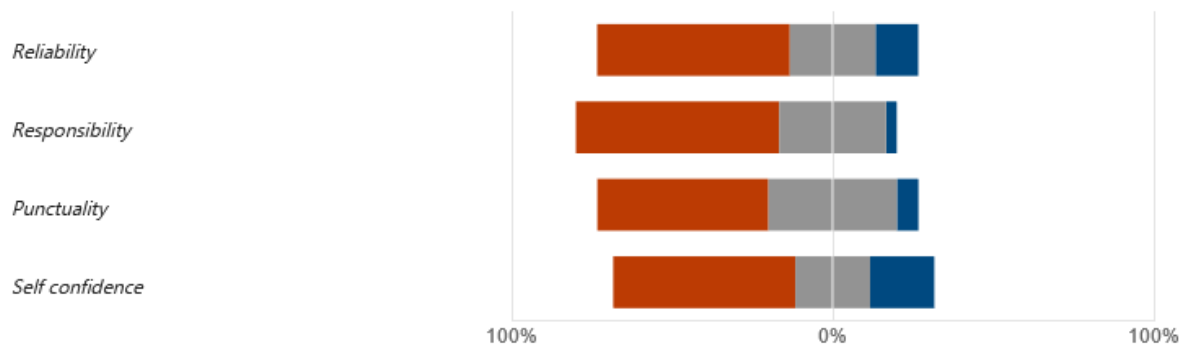

How to make presentations in online environment

Yes, to work with digital technologies.

Nothing on my own because we were a team and we did everything together

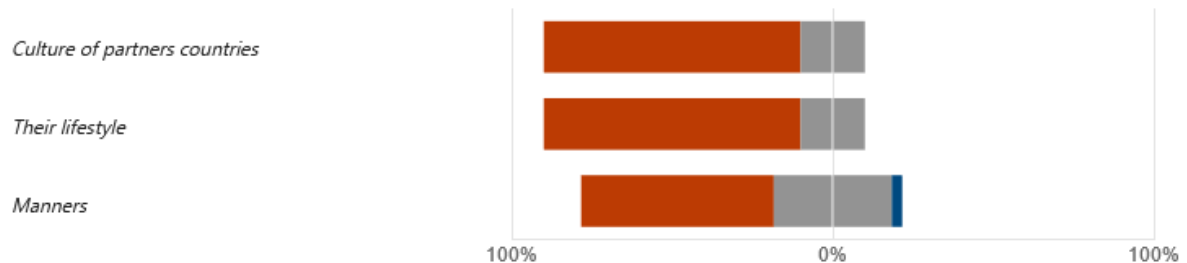

4) HAS THE PROJECT WORK INFLUENCE/IMPROVED YOUR PERSONALITY?

■ A lot ■ Average ■ Not much

5) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

■ A lot ■ Average ■ Not much

6) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

Notes

I'm looking forward to participating in future activities connected to this projec

It gave me amazing opportunity to make new friends while acknowledging their cultures

This project is awesome for young people to not only learn new skills and improve their English but also to learn about new countries and make new friends. It's both educational and fun

I was exciting to experience bulgarian culture and meet bulgarian people

You were all amazing!!!!!!

Having been in touch with other Balkan cultures that are close to our mindset but yet so different gave me a new outlook on my lifestyle.

you were all amazing

I've come to make many new friends, learned a lot about Bulgaria and gained valuable experience

The project has been more than the best opportunity and experience in my life so far, I am excited to experience it again!

Yes

Gained new skills and created new friendships

Learned how to work in an international team with the limited time we had while also having fun

:))
