Degree of motivation

● Very much	11
● Average	9
● Not much	4

What knowledge have you gained on your own?

Počet respondentů, kteří odpověděli **new** na tuto otázku: **3 (13%)**.

Team work is very important

No

a.i.

Yes

Like I said before from every topic I learned something new

motivation is came to nee contry and meet new people

Nuclear reactor

like four swedish words in library

Industrial planing

That Sweden has better work to offer than Bulgaria.

Not really

That team work is very important in projects like this.

Yes, of course.

Throwing bowling ball

Enter your answer.

I learn about how to edit videos with IPad.

Communicating in english

Not sure

Yes english

Mobility gave me the motivation to learn foreign languages.

Computer knowledge

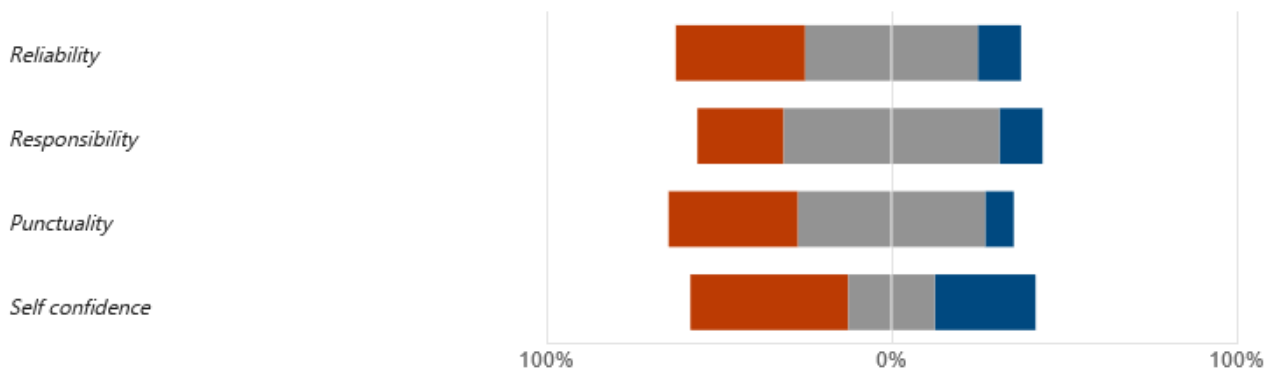

animation

Not so much because my area of study really differs from the topics of our projects.

During the making of the video I learned new English words and I also learn new things about automation in the ferniture factory

■ A lot ■ Average ■ Not much

5) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

■ A lot ■ Average ■ Not much

6) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

Notes

amogus

It was nice

Very good stay in Sweden thanks.

Very good stay in Sweden

Learned a lot about others culture and lifestyle.

Nothing special.

More activities for the students outside of the making videos time.

Making projects and team work

Awesome week in a sweden and awesome hosting school

Nice week in sweden hosting school

The english quality and the motivation

I had a great time working on that project. I loved all the members of my team! I hope we keep in touch and some day meet again.

new partnerships, new skills

I'd have loved it if we learned more about the Swedish culture.
