of the European Union

Improvement of professional knowledge learned previously

● Very much	11
● Average	24
● Not much	1

2) IMPROVEMENT OF YOUR LANGUAGE SKILLS

A/ Improvement in English

● Very much	23
● Average	11
● Not much	2

B/ Improvement of communication skills

● Very much	21
● Average	14
● Not much	1

3) HAVE THE PROJECT MOTIVATED YOU TO SELF – STUDIES?

Degree of motivation

● Very much	16
● Average	16
● Not much	4

Co-funded by the
Erasmus+ Programme
of the European Union

What knowledge have you gained on your own?

No

I'm not productive at 2am

Yes

Computer components and their uses

Hardware

Yeah 🤐

Programming

About telecommunications

Improved english

Mobile programing

I learned how to work with application for 3D modeling. The basic commands and functions were explained perfectly.

How to assembly computers and more knowledge about 3D modelling

Don't trust people on the street

Don't trust Everyone at the street

Socialising and Orientation

Further information about telecommunications and PCM

Hot to socialise in a foreign country and how to deal with those people

Video editing, speaking

I do feel more motivated to continue learning and this project has inspired me to be more creative

Yes i want to know better english language

Communicate well in English

Yeah a lot

Yes

How to make wiring

I win to make video

I learned to go talk to other people and not wait for people to come.

I don't know

Knowledge about Pardubice city culture

Knowledge about Czech Republic

Knowledge about Czech republic

Co-funded by the
Erasmus+ Programme
of the European Union

I lernt to cooperate with people from another countries
Yes. I learned to be more responsible

Culture and food

4) HAS THE PROJECT WORK INFLUENCE/IMPROVED YOUR PERSONALITY?

■ A lot   ■ Average   ■ Not much

Reliability

Responsibility

Punctuality

Self confidence

100%   0%   100%

5) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK

■ A lot   ■ Average   ■ Not much

Culture of partners countries

Their lifestyle

Manners

100%   0%   100%

6) PROJECT CONTRIBUTION TO YOUR GENERAL OUTLOOK
Notes

erasmus projects   lot of things   english and t   conversation with people

best week   experience   comfortable   Refreshment

good project   people from other countries   different countries

able   english things   Oliver is the best   new cultures

looking forward   people from different   different people   ERASMUS is very good

It was Very good

Refreshment Yeah! Very good project. Oliver is the best.

I became more open to others and more comfortable while in conversation with people from other countries.

It was fun to experience new cultures and learn more about technology

Sj

Being able to accept and gather information from people from other countries

I have become more social person as I met different people from different countries and I learned many things such aa:Some of their language, how to be more opened, how to be punctual and many others.

I feel more comfortable communicating with others and it was a great experience overall. I am looking forward to similar erasmus projects in the future.

Refreshment yeah and Oliver is the best

We learn a better english and t y'at train the communication

Positive contribution

15

It the best week in group because, I learned a lot of things and I was able to increase my general culture

It taught me to discover new kind of study and how it works in other countries

ERASMUS is very good

During this trip, I improved my English
